22 **JURISDICTION AND VENUE**

23 15. Subject matter jurisdiction is appropriate to this Court under 28 U.S.C.
24 §§ 1331 and 1338 because this action arises under the Copyright Laws of the
25 United States (17 U.S.C. §§ 101 et seq.), and this Court has supplemental
26 jurisdiction over any related state law claims under 28 U.S.C. § 1367.

27 16. This Court has personal jurisdiction over Defendants in that, among
28 other things, Defendants' conduct caused injury to APM and its intellectual

1 property within the State of California through the exploitation of the Recordings
2 on YouTube, Instagram, and Facebook, all California-based companies, accessible
3 to California-based consumers. Additionally, Defendants (a) regularly do or solicit
4 business in the State of California, (b) engage in a persistent course of conduct in
5 the State of California, (c) derive substantial revenue from consumers located in the
6 State of California, (d) expect or should reasonably expect their acts to have
7 consequences in the State of California, and (e) derive substantial revenue from
8 interstate commerce.

9 17. Venue is appropriate under 28 U.S.C. §§ 1391 and 1400 because a
10 substantial part of the events giving rise to the claims occurred in Los Angeles
11 County, and Defendants' actions caused injury in Los Angeles County.

12 **ALLEGATIONS COMMON TO ALL CAUSES OF ACTION**

13 18. APM is the leading production music company in North America.
14 Production music is the name given to recorded music that is intended to be
15 licensed to customers for use in film, television, radio, and other media. With more
16 than 650,000 tracks, APM's production music catalog is the largest, deepest, and
17 broadest music collection in the production music industry. Indeed, APM's catalog
18 consists of over 50 diverse and in-demand production music libraries, including
19 KPM Music, Bruton, Sonoton, Cezame, and Kosinus. Some of APM's most well-
20 known tracks are "Heavy Action" (a.k.a. The Theme for *Monday Night Football*),
21 "The Big One" (a.k.a. The Theme for *The People's Court*), and "Sweet Victory"
22 (from the *SpongeBob SquarePants* episode "Band of Geeks"). APM's music has
23 also been synchronized on major entertainment properties such as *GLOW*, *This is*
24 *Us*, *Westworld*, *The Americans*, *Stranger Things*, *Atlanta*, *Game of Thrones*,
25 *SpongeBob SquarePants*, *The Ren & Stimpy Show*, *Lady Bird*, *Mudbound*, *The*
26 *Disaster Artist*, *The Big Sick*, *The Shape of Water*, *Call of Duty: Infinite Warfare*,
27 *Tom Clancy's Ghost Recon Wildlands*, the *Saints Row* series, and *MLB: The Show*.

28 19. As the North American subpublisher of its highly valuable catalog,

1 which includes the Copyrights to the Recordings, APM possesses the exclusive
2 rights to record, reproduce, distribute, advertise, and otherwise exploit such
3 copyrighted works, as well as to license others to do so in exchange for the payment
4 of royalties or fees customarily associated with the issuance of such licenses.

5 20. AHL asserts that it “serves as the top development league for the
6 National Hockey League”¹ and, in its form 990 tax filings as of February 2024,
7 describes its mission as to “Promote Professional Hockey in North America,”
8 employed 207 people, and earned more than fourteen million dollars in annual
9 revenue.² It broadcasts the matches between its thirty-two teams on AHLTV, a paid
10 subscription service.³

11 21. AHL’s popularity is at an all-time high. AHL’s 2023 championship
12 series was the third to be sold out and pushed its total playoff attendance for the
13 league above half a million fans. A record, and a high-water mark for revenue
14 which the president and CEO Scott Howson is reported to estimate is 15% to 20%
15 above pre-pandemic levels.⁴

16 22. AHL, in seeking potential third-party corporate partnerships, published
17 a statement discussing the importance of social media marketing:

18 The AHL has an established presence on Facebook, Twitter,
19 YouTube, Instagram and Snapchat. With over 3.25 Million fans
20 following the AHL and its member clubs [a.k.a. teams] on social

1 media, engagement is at an all-time high.

2 The emerging importance of social media offers continuously
3 expansive opportunities for corporate partnerships.⁵

4 23. APM became aware that AHL teams, on team-specific social media
5 channels, had engaged in rampant infringement of the Recordings by exploiting
6 them in connection with numerous promotional postings (the “Infringing Videos”)
7 as listed on **Exhibit 2** to the Complaint and incorporated by reference herein. The
8 team channel specific to each Defendant’s AHL team is also listed in **Exhibit 2**.

9 24. At no point in time did Defendants obtain APM’s license,
10 authorization, or consent to synchronize the Recordings with the Infringing Videos.
11 Moreover, despite being repeatedly contacted by APM regarding AHL’s unlicensed
12 uses of the Recordings, AHL has refused to obtain proper licenses or admit
13 wrongdoing.

14 **FIRST CAUSE OF ACTION**

15 **DIRECT COPYRIGHT INFRINGEMENT**

16 **(Against All Defendants)**

17 25. Plaintiff hereby incorporates the allegations set forth above in
18 paragraphs 1 through 14, as though fully set forth herein.

19 26. Without Plaintiff’s authorization, license, or consent, Defendants
20 reproduced, distributed, and/or publicly performed the Recordings as part of the
21 Infringing Videos, thereby infringing Plaintiff’s exclusive rights of copyright to the
22 Recordings under the Copyright Act, 17 U.S.C. §§ 106, 501.

23 27. On information and belief, Defendants have authorized the
24 reproduction, distribution, and/or public performance of the Recordings by
25 synchronizing the Recordings with the Infringing Videos on YouTube.

26 28. Each unauthorized reproduction, distribution, and/or public

1 performance of the Infringing Videos constitutes a separate and distinct act of
2 copyright infringement of the Recordings.

3 29. Defendants' conduct has been intentional, willful, and with full
4 knowledge of Plaintiff's copyrights in the Recordings and the direct infringement
5 thereof.

6 30. Pursuant to 17 U.S.C. § 504(b), as a direct and proximate result of
7 Defendants' direct infringement of Plaintiff's copyrights, Plaintiff is entitled to
8 recover its actual damages, including Defendants' profits from infringement, as will
9 be proven at trial. Alternatively, pursuant to 17 U.S.C. § 504(c), Plaintiff is entitled
10 to recover up to \$150,000 in statutory damages per work infringed.

11 31. Plaintiff is also entitled to recover its attorneys' fees and costs pursuant
12 to 17 U.S.C. § 505, and prejudgment interest according to law.

13 32. Defendants are causing, and unless enjoined by the Court, will
14 continue to cause, Plaintiff irreparable harm for which Plaintiff has no adequate
15 remedy at law. Plaintiff is entitled to an injunction under 17 U.S.C. § 502,
16 prohibiting the continued infringement of the Recordings and an order under 17
17 U.S.C. § 503 directing the impoundment, destruction, or other reasonable
18 disposition of all infringing works, including the Infringing Videos.

19 **SECOND CAUSE OF ACTION**

20 **CONTRIBUTORY COPYRIGHT INFRINGEMENT**

21 **(Against All Defendants)**

22 33. Plaintiff hereby incorporates the allegations set forth above in
23 paragraphs 1 through 22, as though fully set forth herein.

24 34. Through their conduct alleged herein, Defendants knowingly and
25 systematically induced, caused, materially contributed to and participated in
26 infringing distribution by third parties of the Recordings, including, without
27 limitation, by way of reproduction, distribution, and/or public performance through
28 the YouTube platform. Specifically, by licensing to YouTube the right to

1 reproduce, distribute, and/or publicly perform the Infringing Videos, Defendants
2 induced and encouraged YouTube, Instagram, and FaceBook to directly infringe
3 Plaintiff's Copyrights.

4 35. Defendants' conduct has been and continues to be intentional, willful
5 and with full knowledge of Plaintiff's copyrights in the Recordings, and the
6 contributory infringement thereof.

7 36. Pursuant to 17 U.S.C. § 504(b), as a direct and proximate result of
8 Defendants' contributory infringement of Plaintiff's copyrights, Plaintiff is entitled
9 to recover their actual damages, including Defendants' profits from infringement,
10 as will be proven at trial. Alternatively, pursuant to 17 U.S.C. § 504(c), Plaintiff is
11 entitled to recover up to \$150,000 in statutory damages per work infringed.

12 37. Plaintiff is also entitled to recover its attorneys' fees and costs pursuant
13 to 17 U.S.C. § 505, and prejudgment interest according to law.

14 38. Defendants are causing, and unless enjoined by the Court, will
15 continue to cause, Plaintiff irreparable harm for which Plaintiff has no adequate
16 remedy at law. Plaintiff is entitled to an injunction under 17 U.S.C. § 502
17 prohibiting the continued contributory infringement of the Recordings and an order
18 under 17 U.S.C. § 503 directing the impoundment, destruction or other reasonable
19 disposition of all infringing works.

20 **THIRD CAUSE OF ACTION**

21 **VICARIOUS COPYRIGHT INFRINGEMENT**

22 **(Against All Defendants)**

23 39. Plaintiff hereby incorporates the allegations set forth above in
24 paragraphs 1 through 36, as though fully set forth herein.

25 40. Through their conduct alleged herein, Defendants knowingly and
26 systematically induced, caused, materially contributed to and participated in
27 infringing distribution by third parties of the Recordings, including, without
28 limitation, by way of reproduction, distribution, and/or public performance through

1 the various websites listed on Exhibit 1. Specifically, Defendants enjoyed a direct
2 financial benefit from the reproduction, distribution, and/or public performance of
3 the Infringing Videos while having the right and ability to supervise the infringing
4 activity, yet failed to exercise that right and ability to prevent the infringing activity.
5 Further, Defendant AHL enjoyed a direct financial benefit from the reproduction,
6 distribution, and/or public performance of the Infringing Videos perpetrated by the
7 individual team Defendants while having the right and ability to supervise the
8 infringing activity, yet failed to exercise that right and ability to prevent the
9 infringing activity.

10 41. Defendants' conduct has been and continues to be intentional, willful
11 and with full knowledge of Plaintiff's copyrights in the Recordings, and the
12 contributory infringement thereof.

13 42. Pursuant to 17 U.S.C. § 504(b), as a direct and proximate result of
14 Defendants' vicarious infringement of Plaintiff's copyrights, Plaintiff is entitled to
15 recover their actual damages, including Defendants' profits from infringement, as
16 will be proven at trial. Alternatively, pursuant to 17 U.S.C. § 504(c), Plaintiff is
17 entitled to recover up to \$150,000 in statutory damages per work infringed.

18 43. Plaintiff is also entitled to recover its attorneys' fees and costs pursuant
19 to 17 U.S.C. § 505, and prejudgment interest according to law.

20 44. Defendants are causing, and unless enjoined by the Court, will
21 continue to cause, Plaintiff irreparable harm for which Plaintiff has no adequate
22 remedy at law. Plaintiff is entitled to an injunction under 17 U.S.C. § 502
23 prohibiting the continued vicarious infringement of the Recordings and an order
24 under 17 U.S.C. § 503 directing the impoundment, destruction or other reasonable
